FBA Garden Committee ISO Volunteers and Donations

The Garden Committee is seeking volunteers to join its committee to help with the garden activities in and around the historic Foggy Bottom neighborhood. Over the past five years, with the help of supporters and volunteers we have installed flower barrels in the historic district, enhanced many of the tree boxes along K Street, planted trees, brushes, and flowers along the 26th Street Park, and enhanced the triangle across from the 7-11. If you would like to

volunteer, help us water plants, or make a financial donation, please call Ken Durham on 202-338-2471, send an email to kdurham@gmail.com or send a check to K Durham, 909 26th Street NW and make it out to the Foggy Bottom Association. All donations are tax deductible.

WALK IN THE PARK – FB'S HISTORIC DISTRICT

The FB Sculpture Exhibit continues to attract visitors. FOX 5 returned to FB last Thursday with *Sarah Simmons* who did three segments of interviews with sculptors *Nancy Frankel*, *Craig Kraft*, *Paula Stone* and *Seth Goldstein*, curator *Shirley Koller*, the exhibit Co-Directors, *Jill Nevius* and *Mary Kay Shaw*, and *Peter Maggs* and *Cleveland Page*, sculpture site property owners. As *Mary Kay Shaw* shared, the exhibit can be toured by map (available from the brochure dispensers at each of the sculpture sites). The map also provides instructions

for listening by cell phone of sculpture descriptions by the artist.

If you want to see the tv interviews they are available at <http://www.myfoxdc.com/dpp/mornings/foggy-bottom-sculpture-exhibit-061010>.

Here are but a few photos taken during the morning.

JUNE CALENDAR

WEDNESDAY, JUNE 16, 3pm. PUBLIC HEARING. RE: PUBLIC BUILDINGS ON SQUARE 37 (WEST END LIBRARY SITE) AND SQUARE 50 (ENGINE COMPANY #1).

The District Council will conduct a hearing in which you may affirm that the community is ready to move forward with the above referenced surplus land disposition resolution; that there has been a full, open, and public process leading up to the selection of a developer; and that the community through the various civic organizations (ANC, FBA, WECA, and WELF) has endorsed the developer selected by the District. Susan Haight, president of West End Library Friends, recommends that we approve Eastbanc and stress that time is of the essence because a new library, new fire station, affordable housing fitting two different income profiles is a community priority.
